ADMISSION POLICY

Admission is provided to all students applying to the college regardless of caste, creed, religion, and economic conditions. The College Admission Committee assigns the Admission Assistance Cell to familiarise the students with the admission policy and procedures, monitors the students' applications and admission process; and scrutinizes all the original documents at the time of admission.

Incentives in the form of fee concessions will be provided to students from economically challenged sections, differently abled, and displaced students. Students in these criteria are to produce supporting documents during admission.

The policy and procedures provide equal and unbiased opportunities to all the students applying for admissions.

Prospective students/applicants are encouraged to seek clarification (if any) regarding the admission process by communicating with the Admission Assistance Cell. The institution strictly adheres to the eligibility criteria set by Manipur University while granting admissions.
